

Autumn 1 Nursery: Who lives in my house?

This is our introduction for the children in Nursery. It is important that children are initially given challenges that reflect who they are and what they are familiar with. This curriculum will help the children settle and feel valued within the setting. Through this challenge, the children will be more confident to talk about the people and the places that they know.

WOW	<i>We will be showing pictures of the locality showing recognisable buildings and features.</i>	Parents/Carers: Please send in printed copies of your family which we can display in the classroom. You may also wish to send in pictures of the outside of the children's home for us to use as talking points.
LC1	What is special about my family?	
LC2	Who else lives in my house and what are they called?	
LC3	What is my house made of?	
LC4	What is my address?	
LC5	What can I see out of the window?	
LC6	Who lives in my house?	
LC7	Reflection: a walk around the school looking at all the different areas within the school
