In Week 18, we follow a LOST dragonfly called Florence. She wants to find her family and friends FAST so is FLYING around all over the place to find them. Do you think she will be able to SPOT them?

ONLINE CHALLENGE OF THE WEEK:

Discuss animals and objects that FLY. Look them up as you discuss. Do all birds fly? Do 'flying squirrels' really fly?

THIS WEEK'S SPECIAL WORDS

LOST

When you can't find something, it is **LOST**.

SPOT

When you see something.

FLY

When something **FLIES**, it moves through the air.

FAST

HOME LEARNING CHALLENGE

WE HAVE PREPARED SOME FUN ACTIVITIES TO DO AT HOME!

Hide toys around the house. Ask your child to help you SPOT and save all the LOST toys. Can they be fast and find them all under 5 minutes?

Do these activities at home!

- ★ Why not invite your child to decorate a room with some fairy lights or use a flashlight or lamp to make a shadow puppet show!
- ★ Go for a jog or a run in a park. Who can run fastest?
- ★ Go for a walk around your home. Can you SPOT a red car? A bicycle? A white dog? Take turns giving each other things to 'spot'!
