

Spring 1 Nursery: What can we find in the winter garden?

This is a good introduction to get children into the habit of asking many questions. It is also a good challenge. to encourage deeper discussions at home and to start to listen to each other's 'ideas' and 'opinions'

WOW	In the Night Garden family event.	Parents/Carers: Talk to your children about daytime and night-time. Use torches to explore the dark. Talk about the differences between daytime and night- time.
