

## Information on the proposed School Street for Fielding Primary School

Over the next few weeks, Ealing Council's School Travel team will be letting people in the local area know about proposals to implement a School Street for your school.

Since 2020 we have been implementing School Streets, where the roads around a school are closed to most vehicles for a short period of time (usually around an hour) at the start and end of the school day. Pupils, parents and neighbours of 43 schools and education providers are now benefitting from a School Street – that's almost 21,000 children and young people across the borough.

With fewer cars on the roads School Streets helps pupils feel safer on their school journey, walking, scooting and cycling has increased, and air quality in the borough has improved around schools by reducing congestion in these areas at peak times.

### A School Street for Fielding Primary School

So far, the borough's School Streets programme has seen:

- a reduction in school-related car use of up to 18%
- an increase in active travel (walking, scooting, cycling) of up to 29%.

Now that we have a proven track record of success, we will be progressing with Schools Street schemes for schools and education providers in suitable locations, unless there is a compelling reason not to. Suitability means that we believe the School Street won't cause problems for traffic or parking in the local area during its operational hours.

We have assessed the location of Fielding Primary School as suitable. We're now asking the school and local community if they know of any unique local circumstances we might have missed, that we should consider before confirming the scheme. The plan and times of the proposed School Street are on the next page.

### Next steps

Please tell us why you support the proposal, or let us know of any compelling reasons why we should not proceed, by completing the survey at <https://bit.ly/SS-FieldingPS> by midnight 13 July.

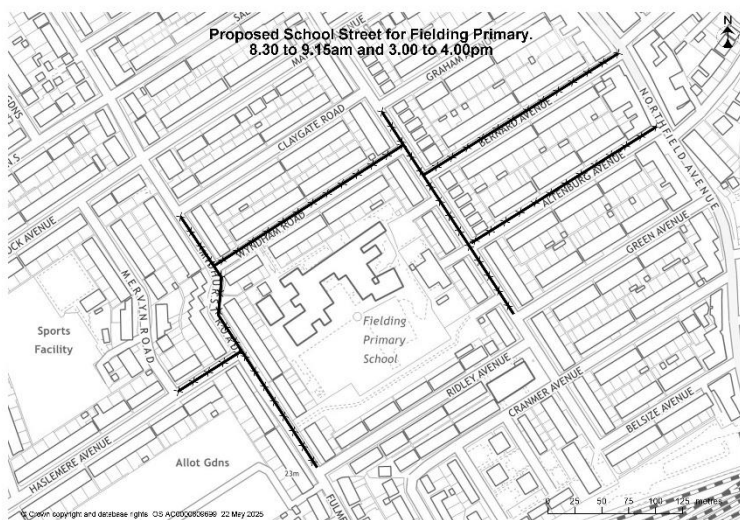

If you would like a paper copy of the survey, please email us at [SchoolStreets@ealing.gov.uk](mailto:SchoolStreets@ealing.gov.uk). Or, you can request one by writing to us at: School Travel Team, Ealing Council, Perceval House, 14-16 Uxbridge Road, W5 2HL.

Before you complete the online survey you can find out more about School Streets:

- reading the FAQs we have sent to the school,
- by joining us at our Pop-Up session at Fielding Primary School on 25 June come along any time between 3.15 to 7.00pm,
- at our online presentation on 3 July from 7.00 to 7.30pm, book your place here: <https://bit.ly/Fielding-ss-online>
