

Curriculum Aims

Underpinned
by 4 core
values:

Resilience

Respect

Empathy

Reflection

and

Sustainability

Pupils' learning is centred on their locality, community and by first-hand experiences.

Pupils
will:

be confident
readers, writers
and
mathematicians.

understand
themselves
and others
and manage
their
emotions.

understand
and explain
the world
around them
now and from
the past.

compete in
competitions,
be active and
work with
others in a
team.

create,
practise,
rehearse and
perform with
others.

understand
other cultures
beliefs and
languages.

know how to
live
sustainably,
understanding
global
environmental
issues.

Pupils
will do
this
through:

high-quality
English and
mathematics
lessons and
through reading
a rich selection
of books.

RSHE, RE,
values
education,
MindUP &
play
opportunities.

science and
humanities
learning and
interacting
with members
of their
community.

sports
tournaments
and other
competitions
across the
curriculum.

music, art and
other
opportunities
to perform.

French, RE
and No
Outsiders
lessons.

humanities,
cooking,
Forest
School,
gardening and
RSHE
lessons.
