WEEK 13

In Week 13, we are taking a trip to the MOON. Some very BRAVE dinosaurs are travelling all the way up and are having some QUIET, peaceful moments looking at our planet Earth before returning with a big SPLASH.

ONLINE CHALLENGE OF THE WEEK:

Lets learn more about the moon. Can you find child-friendly videos that talk about the MOON? Who was the first person on the moon?

THIS WEEK'S SPECIAL WORDS

MOON

We can see the **MOON** in the sky at night-time.

BRAVE

When we do something even though we feel a bit frightened, we are being **BRAVE**.

SPLASH

When you jump in water or hit it with your hands and feet so it moves, it makes a **SPLASH**.

QUIET

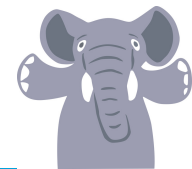

When there is only a small amount of noise or no noise at all, it is **QUIET**.

HOME LEARNING CHALLENGE

WE HAVE PREPARED SOME FUN ACTIVITIES TO DO AT HOME!

Time for make-believe play! Create your own make-believe rocket and astronaut suit to prepare for take off. Pretend that you landed on the MOON, and talk about what you see.

Do these activities at home!

- ✦ If possible, go to your local playground. Encourage your child to try out child-friendly obstacle courses and praise their BRAVERY!
- ✦ Make a SPLASH! Invite your child to help you washing up plates and cutlery after a meal. Discuss what you are doing throughout the activity.
