WEEK 7

This week of NELI Preschool, we revisit another classic tale - Cinderella! Cinderella lives with her stepmother and stepsisters who are not very kind to her. She **CLEANS** the house all day. When they are all **INVITED** to the Prince's ball, Cinderella gets the help of a Fairy Godmother to make a **BEAUTIFUL** dress. As Cinderella runs away at midnight, leaving behind her glass slipper, the Prince looks for the lady who **FITS** the glass slipper!

ONLINE CHALLENGE OF THE WEEK:

Can you find another version of Cinderella? There are many! What parts of the story are the same? Is there anything different?
