

## Cast costume suggestions

-Below are some suggestions for the character list for Year Six production. We will be making horns, tails, logos and some details for characters in school. If there are any issues with the below suggestions (sourcing them or paying for them), please let the Year Six team know.

-As we have lots of things to make, if anyone is willing to help and has any artistic skills that they wish to contribute, the Year Six team would be eternally grateful. Please get in contact with Jason McConnachie (Year Six-Year Leader).

-We will be using face paints (from a reputable source) for monster arms and legs. Please let us know if you DO NOT wish for us to use these on your child.
