

The menu card is framed by autumn-themed illustrations. At the top, a banner with the words 'HARVEST FESTIVAL' in white capital letters on a brown background is set against a backdrop of orange and yellow leaves. The word 'MENU' is written in a dark purple, serif font below the banner. The menu items are listed in various colors: green for the first three items, brown for the fourth, green for the fifth, purple for the sixth, and blue for the seventh. The card is decorated with autumnal elements: a tree with orange leaves on the left, a green tree with red apples and a white ladder on the right, and a field of green bushes with red berries at the bottom. A smiling pumpkin character is standing on the right side of the bottom border.
